## Education

---

**Student at Faculty of Engineering, Department of Computer Engineering** 2022 – 2027  
*Kafr El-Shiekh University (KSU)*

## Experience

---

### Arduino & Embedded Systems Instructor (Volunteer)

Designed and delivered a hands-on Arduino course for children as part of a church community initiative, covering basic electronics and programming fundamentals.

## Certificates

---

- Building LLM Applications With Prompt Engineering — NVIDIA DLI March 2026
- AI for All: From Basics to GenAI Practice — NVIDIA Academy Feb 2026
- Python Programming Basics — ITI / Mahara-Tech Feb 2026
- Certificate of Attendance, Summer Training (Electrical Engineering) — UNESCO / RCTWS July 2025

## Skills

---

Python	Arduino & Embedded C/C++
SQL	Generative AI
MS Office	Prompt Engineering

## Interpersonal Skills

---

- Problem Solving
- Communication
- Time Management
- Adaptability and Fast-Learning

## Languages

---

<b>Arabic</b>	<b>English</b>	<b>Japanese</b>
Native	C1	N5
